

Pharmacy – Prior Authorization Grid (PAD and Injectable/Infused Medications)

Important Information for ALL Providers

- UHA requires a prior authorization for out-of-network services unless indicated otherwise within this document.
- Services not reflected on this authorization grid **require** a prior authorization.
- No PA required if UHA is secondary payer.
- All services must be medically necessary, subject to OHP regulations. If a service performed is non-funded by OHP (and is not an additional benefit offered by UHA), the claim will be denied as a non-covered service per OHP criteria (see Prioritized List at <http://www.oregon.gov/oha/HPA/CSI-HERC/Pages/Prioritized-List.aspx>).
- Services for children from birth to under age 21, may require a prior authorization review for medical necessity and appropriateness in accordance with the Early and Periodic Screening, Diagnosis and Treatment (EPSDT) benefit. Please see our [EPSDT](#) provider notice.
- An approved authorization is not a guarantee of payment. Payment is based on benefits in effect at the time of service, member eligibility and medical necessity.
- Single Case Agreements (SCA) and Special Financial Arrangements (SFA) must be requested on the PA. In-network providers claims will be paid at their contracted rate unless otherwise indicated.
- In-network providers must submit PA requests through CIM. All communications and notifications will be sent securely within CIM.
- Medical notes and supporting documentation must be submitted with the PA request.

Submissions for [Professionally Administered Drug \(PAD\) Prior Authorizations](#), [Medication](#) and [Hepatitis C](#) requests must be submitted on the appropriate forms. These cannot be combined with Medical or Behavioral Health submissions but must be submitted separately.

Professionally Administered Drugs (Injectable and Infused)
