## New Umpqua Health Clinic Opens Its Doors for Business

### *New Clinic and Plans for Future Growth Address Gaps in Douglas County's Health Care*

**ROSEBURG, Ore.,** Jan. 3, 2017 – Umpqua Health (formerly Architrave Health) opened a new primary and specialty care clinic today at 1813 W. Harvard Ave., Suite 241. The 4,381-square-foot facility, temporarily named Umpqua Health – New Clinic (NC), offers primary care and mental health services, 11 exam rooms, on-site blood draws, and is the second outpatient facility Umpqua Health operates on the Harvard Medical Park campus. Umpqua Health representatives estimate 12,500 patient visits at the clinic in its first year of operation.

“The demand for primary care and behavioral health services in Douglas County is high,” says Umpqua Health CEO Brent Eichman. “It’s our duty to ensure members of the community have access to care.”

Five providers will staff Umpqua Health – NC, with support from a team of nurses, medical assistants and administrative staff. The newly opened facility joins Umpqua Health – Harvard (formerly Umpqua Regional Medical Center) on the same campus. Between the two clinics, 17 providers are now seeing patients, and Umpqua Health will continue to recruit more clinicians throughout the new year.

“Umpqua Health currently provides coverage to nearly 25 percent of Douglas County children and adults,” Eichman says. “Demand for primary care-based services is on the rise so we’re taking steps now to ensure that the future healthcare needs of our community are met.”

To that end, Umpqua Health has purchased land near the intersection of N.E. Stephens Street and N.E. Newton Creek Road that will be home to a 10,000-square-foot rural health clinic currently scheduled to open in June 2018, expanding its clinic presence to two locations in Roseburg. The new property will also allow for future growth as the demand for Umpqua Health’s services in Douglas County continues to increase.

Umpqua Health – NC is open Monday through Friday, from 7 a.m. to 6 p.m. The clinic is currently accepting new patients. To schedule an appointment, please call (541) 229-7038.
