Dear Provider,

Umpqua Health Alliance offers providers the ability to submit, check the status and manage your prior authorization (PA) requests online. By signing up for access to our Community Integration Manager (CIM), you can eliminate paperwork and faxing associated with the authorization process. You will also have direct email access to our Member Services, Prior Authorization, and Claims teams that can assist you with questions of member eligibility, and monitoring PA and claims status'. UHA is encouraging all in network providers to gain access to CIM as soon as possible as <u>it will be a requirement in the first quarter of 2020</u>.

To sign up for this feature, please visit <u>https://help.phtech.com</u>. Select the "**Sign in**" link in the top right header.
