	<p>ask to remain on OHP. Bridge program for folks who are slightly over income planned to launch summer 2024, folks who would qualify for that will stay on OHP until the Bridge program launches. ERD and TANF programs – previously one negated the other (and vice versa) but beginning July 1, enrollment in one doesn't negate the other. Bevin shared draft of new 2024 CCO measures, with a link to submit reviews. There's a request from ORRAC to update crisis care guidelines, to review how prioritizations/decisions are made during a crisis. There's a document through a survey where they'd like to hear back about their recommendations, hopefully by 6/26, and two upcoming public meetings. There's an upcoming webinar on 6/21 featuring fair housing council of Oregon around the process to obtain proper documentation on a support/service animal in home.</p>		
<p>B. Tiny Home Village Update</p>	<p>Melanie shared information on the previous CHIP funding for Tiny Home Village. In 2018, UHA CHIP funds went to help fund a few tiny homes for female veterans. Peace at Home purchased the homes from Valiant Seed, and almost immediately had them rented out. But the folks renting out the homes needed additional social services (things like laundry, access to bus routes, etc.). Peace at Home put the homes on the market roughly four weeks ago, and the homes sold almost immediately. The money from the sale of the homes will be reinvested in housing for survivors of domestic violence.</p>		<p><input checked="" type="checkbox"/> Closed <input type="checkbox"/> F/U Required <input type="checkbox"/> Approved</p>
<p>IV. Open Forum</p>			
<p>A. Word on the Street</p>	<p>Kat asked folks about their preference for an in-person meeting, and folks discussed possibility of moving the meeting to other locations as needed (including the CCR space, Adapt buildings, etc.)</p>	<p>CAC agreed to a hybrid meeting at UHNC in July.</p>	<p><input checked="" type="checkbox"/> Closed <input type="checkbox"/> F/U Required <input type="checkbox"/> Approved</p>
