

**Conversio Health's program is available to all Umpqua Health Alliance members.**

Our goal is to help you breathe easier and live fuller.

# Start Breathing Easier Today

**Umpqua Health Alliance has partnered with Conversio Health to help patients breathe easier.**

Conversio Health is a specialized breathing support program. We are an approved partner of Umpqua Health Alliance.

You can get this information in other languages, large print, braille, or any format you prefer. You can also ask for an interpreter. This help is free. Call 866-239-3784 (TTY users dial 711). We accept relay calls.

Is your breathing preventing you from spending time with your family and doing the things you enjoy?

Are everyday activities like household chores or climbing stairs hard for you?

Conversio Health can help you get your breathing under control.

## Conversio Health is a specialized breathing support program.

We help people breathe better. Conversio Health works with you and your doctor to improve your breathing and well-being.

Conversio's entire health care team is focused on giving you the best quality of service possible to help you breathe better.

Our SmartNeb nebulizer fits right in your hand.

Our SmartCap device shows you the correct way to use inhalers.

## What will you receive from Conversio Health?

Custom-made breathing medicines and inhalers

Smart devices that are easy to use and allow you to share data with your doctor

Free & fast delivery of your breathing medicines, smart devices, and supplies right to your home

Easy ordering through text, email, phone, our app, or at [conversiohealth.com](https://conversiohealth.com)

Education and support from our health care team who work with you to improve your breathing

The Conversio Connect app that keeps track of your medications, reports your smart device readings, monitors air quality, and gives you rewards
