Consent to Sterilization (Ages 15-20)

Notice: Your decision at any time not to be sterilized will not result in the withdrawal or withholding of any benefits provided by programs or projects receiving federal funds.

Patient's statement		
I have asked for and received information about sterilization from	All my questions have been answered to my satisfaction. I understand that the operation will not be done until at least 30 days after I sign this form. I understand that I can change my mind at any time and that my decision at any time not to be sterilized will not result in the withholding of any benefits of medical services provided by federally funded programs. I am between 15-20 years of age and was born on (month/day/year).	
(doctor or clinic). When I first asked for the information, I was told that the decision to be sterilized is completely up to me. I was told that I could decide not to be sterilized. If I decide not to be sterilized, my decision will not affect my right to future care or treatment. I will not lose any help or benefits from programs receiving federal funds such as Temporary Assistance for Needy Families (TANF) or Medicaid that I am now getting or for which I may become eligible.
