

Your Neighborhood Clinic Can See You Today

You do not have to go to the emergency room for most health concerns.

If you live in Roseburg, Sutherlin, Myrtle Creek, Canyonville or anywhere in between, there are clinics in your community that can treat most of what sends people to the emergency room.

Infections. Minor injuries. Back pain. Stomach trouble. Fever. Ear pain. A clinic near you can handle it, often the same day, without the long wait and stressful environment of an emergency room.
