

Social-Emotional (SE) Health Services

Billing Grid

This document identifies social-emotional (SE) health services and the provider types eligible to bill them when billed to Umpqua Health Alliance. This code set aligns with the Oregon Health Authority's Social-Emotional Interventions for 1–5 quality incentive metric code set.

Note: Provider eligibility for nonlicensed roles is based on explicit Oregon Health Authority guidance. Codes not listed are considered outside of scope.

SE Code Search

Code	Description	Eligible Provider Types

H2014	Skills training and development	LMP, LPC, LMFT, LCSW, psychologist, QMHP, QMHA, CHW

Provider Type Definitions from OHA Guidance

Provider Type	Definition
LMP (Licensed Medical Practitioner)	A provider licensed to practice in the state of Oregon, such as a physician, nurse practitioner or physician assistant, whose training, experience and competence gives them the ability to complete a mental health assessment and provide medication management (OAR 410-172-0600).
LCSW (Licensed Clinical Social Worker), LMFT (Licensed Marriage and Family Therapist), LPC (Licensed Professional Counselor)	Behavioral health providers who hold a graduate-level degree and are licensed to independently diagnose and treat mental, emotional and behavioral disorders.
QMHP (Qualified Mental Health Professional)	A credentialed mental health provider (may or may not be licensed) who meets state qualification standards and is authorized to provide clinical behavioral health services. Must be registered through the Mental Health & Addiction Certification Board of Oregon (MHACBO).
QMHA (Qualified Mental Health Associate)	A nonlicensed mental health staff member who delivers services under the direct supervision of a QMHP. Must be registered through MHACBO.
CHW (Community Health Worker)	A certified nonlicensed provider who delivers health education and supportive services to individuals and families.
Peer (Peer Support Specialist, Peer Wellness Specialist, Family Support Specialist)	A certified provider with lived experience who delivers peer support services to individuals or families with similar behavioral health experiences. Must be certified through the Oregon Health Authority.
BCBA, BCaBA, BAI (Board Certified Behavior Analyst, Board Certified Assistant Behavior Analyst, Behavior Analysis Interventionist)	A group of provider types that provide applied behavior analysis (ABA) services. These provider types can bill specific ABA and mental health codes corresponding to their individual scope of practice.
